ALL AFRICA STUDENT CONVENTION

23 – 27 NOVEMBER 2005. - UNIVERSITY OF THE FREE STATE, BLOEMFONTEIN.

Four students participated in this year's AASC under the name of the WCHEA. Unfortunately Lindsay Meissenheimer got ill and could not come along with us. Please pray for her recovery as she is still under treatment. We all travelled to Bloemfontein and the students enjoyed the Convention tremendously, especially the Opening Rally and the special fireworks display, Parachute jumps, etc. The students all did their best and I would like to congratulate all the students with their participation and achievements, regardless if they won any medals or not. I am proud of you all and it was a blessing and a privilege to accompany you and spend some time with you.

I would like to make mention of the awards the students received at the Convention where approximately 2000 people attended:

1. Warren Ambler : Character Trait Colour Photography – 3rd place. Character Trait Digital Photography – 2nd place.

2. Lindsay Meissenheimer : Poetry Writing – 4th place.
3. Johan Mostert : 100 m dash – 2nd place with a nomination to attend the International Convention in America in May/June 2006.

S.A.C.S.S.A. (South African Christian Schools Sport Association.)

You would have received e mails during the previous quarter regarding S.A.C.S.S.A. This is a national organization promoting and organizing sport amongst the Christian Home Schools and Schools. I will continue to forward e mails I receive to you.

Each home school can decide if you want to participate in Sport on a regional and National level through this organization.

You can then register with them as a home school and participate in all the sporting activities. You will have to register individually. If I register as an Academy, I have to pay a monthly fee for all students enrolled into the WCHEA, which will be very costly because not all of you

would like your children to participate in offered.

The idea is that you make use of this opportunity if your child is talented in Sport.

WCHEA FEE ADJUSTMENT IN 2006

Mr. Anton Cillier, the husband of Mrs. Kim Cillier, is one of the home schools registered with the WCHEA. He visited me at my home on Saturday 8 October 2006. He assesses the effectiveness of the Financial Administration of the WCHEA, and offer advice where needed. Anton and he graciously volunteered to offer assistance and advice where needed in the future.

My idea was to be accountable to someone who matters in order to secure the future of the WCHEA. I would like to secure sound financial policies and fee structure.

Anton is the Financial and Personnel Officer at Robertson Wineries. After looking at his administration, etc. his suggestion was to increase the fee structure. I did e mail suggestions through to him and he agreed upon would be wise to implement this in 2006. In fact I copy from his e mail to me :

“Die fooie lyk baie reg. Die persentasies is bietjie hoog teenoor inflasie en VPI, maar gesien in die lig dat jy agter geraak het, behoort dit te werk. Jy sal miskien moet verduidelik dat die persentasies nie die toekomstige tendens sal wees nie, dat dit egter nou net meer 'n regstelling van tariewe is as wat dit 'n verhoging is. Sterk Axels en God bless. Groete aan die familie

Anton en Kim”

We trust that you will have a God filled and blessed 2006.
