PACE ORDERS !!!

Please take note that the normal dates that I place PACE orders are on the 5th and the 20th of each month. The only exception is during the December holidays when I will not be placing an order on the 20th since ACE is closed then and I am also on holiday.

Should the 5th or the 20th fall on a weekend or a Monday, I ask that all orders reach me as early as possible on the Friday BEFORE THE RELATIVE DATE !!!

Alternatively all orders should reach me as early as possible on the 4th or the 19th of each month since I still have to process the costs of your orders and advise you of the amount before I actually place the combined order with ACE on the 5th or the 20th. **The amount for the order is payable as soon as you receive the amount.**

Any orders placed in between these dates will unfortunately only be processed at the dates mentioned.

Please remember **not to pay for orders by cheque**, since the funds will then not be available to me for 10 days

(Banking rules), and I do not have sufficient cash flow to carry this. I normally have to pay ACE within 72 hours of placing all orders.

ALL AFRICA STUDENT CONVENTION !!!

As per e mails most of you already received, and also per the Accelerator of the second quarter that I (and I hope you) received this week, the Student Convention is again at the University of the Free State, **but on the dates 1-5 December**. Further Information is:

Early Bird Registration : 25 August 2006.
Registration Deadline : 15 September 2006.
Express Registration : 13 October 2006
Costs : R875.00 Early Bird.
R965.00 Late Registration.

As mentioned last year at the December Home Educators Days, I will not personally be going to the Convention this year. Parents will have to accompany their children as sponsors. I will however still be available to process the initial registration and will also be available for advice. However the rest will be up to the parents to organize.

Please take note that every student is required to attend two Student Conventions during their High School career. No Graduation Certificates will be issued should students not have attended the Student Conventions as it is part of the Compulsory Learning Area called Life Orientation !!!

Should your student already be involved in Provincial Sport, Cultural activities, etc. and you feel that there will be no time to send them to the Student Convention, please let me know as early as possible as we will have to let ACE know well in advance. In those cases an "Exemption from attending the AASC" form will have to be completed and sent to ACE for approval.

READMASTER PLUS !!!

As per e mails sent this is a new Program available and it replaces the old Readmaster and also the

ACMS. This program costs R680.00 and Includes Readmaster Gr. 1-12, Typemaster Level 1-6, Mathbuilder Gr. 1-6 and Word Builder Gr. 1-8

This program has to be registered every year at extra cost, and can be used for more than one student, provided that it is only installed on one computer. The registration costs per year is not known yet and will be set by ACE in America. We are introducing this new program into the ACI schools in the USA in August/September this year. It is expected that the Registration Fee per year will be in the region of R700, but this is only an estimation.

On the ACMS counts had to be bought every year. Readmaster PLUS will only have a registration fee per year, and you will not need to buy counts. It is then unblocked for **unlimited use per year**.

Any home schools wanting to continue with ACMS **has the option to buy counts needed until the end of the students schools career, but will have to do so in the month of June 2006**. After that time the counts for the ACMS will be available any more. However only the Readmaster section of the ACMS will stop functioning as this is the only section of the ACMS that is functioning on the "count system". The Typemaster, Mathbuilder and Word Builder will keep on functioning provided you have activated them before the end of June 2006.

FEEDBACK STILL NEEDED !!!

As mentioned in the last newsletter of 23 March, we still need feedback on the home schools interest in the CFAM/OBEST assessments for 2006. Or if you have home schools responded.

Feedback on the Assessors course is also still needed. It has been moved into the July holidays and I am still available to attend it. I have however only 10 of the nine home schools responded.
