IMPORTANT INFORMATION

HOME EDUCATORS DAYS

This annual convention is mandatory for all home schools and you will receive the registration form included in the next Accelerator that ACE will send you at the end of this quarter.

Please take note that you need to **register with ACE National Office for this convention** – and therefore **payment must also be made into their Bank Account** and not into any of the WCHEA accounts. !!!

QUALITY EDUCATION REDEFINED ?

According to research, only 9% of Christians live from a Biblical World-View.

How do we raise a standard? How do we define quality?

Living as the Father's Household !!!

Oriented by the Word of God !!!

Empowered by the Holy Spirit !!!

To transform lives and to develop communities of blessing !!!

How do we rebuild a nation? One child at a time !!! And how do we build character into a people? One person at a time, one principle at a time, one character trait at a time. It is not an easy thing. It is not a quick thing. It is not a quick fix. It is building and developing, as God taught us, beginning with one child – line upon line – precept upon precept – building

**and developing that life so that he wa
God's ways.**

**When the individual, the human being,
as God would walk if He were a man, t
that is Wisdom – that is quality educati**

**When we take this principle (the reve
from God and the character of God), and
values and build them into our daily
conversation, observable character, and
we're walking in God's ways. As we bui
foundation of Wisdom, values, principl
character into the heart and mind of the
we train the next generation to walk in
ways.**

That is Wisdom !!!

That is the highest quality of Life !!

**And we want to refocus on the highest q
of life that is found in the very person of
!!!**

*School of Tomorrow: A philosophy of
Educational Reform (Part 2): 1998:1*

In defining quality from a Biblical perspective we remember:

- God's ways # man's ways with standards.
- God's ways = radically different than ways.
- God's ways = 180 degrees opposite of ways.
