- 5 June 2009 + 19 June 2009.
- 6 July 2009

PLEASE ENSURE THAT YOUR ORDER REACHES MY OFFICE THE DAY BEFORE THESE ORDERING DATES !!!

CFAM/OBEST TESTS

I am planning to conduct CFAM/OBEST tests again this year possibly somewhere during the month of September. Remember that these tests are a requirement from ACE and the WCED for every Gr. 3, 6/7 and 9 student.

Depending on the response from all Home Educators, I will again travel through the Province and administer these tests at four different venues – Malmesbury, Beaufort West, Hartenbos and Robertson. The costing involved will also depend on the amount of children being tested, as I will also have to recover my traveling costs. These tests will be R120 per student, provided that I test 45 children.

All students in Grade three, six/seven and nine should write these tests, **although you are welcome to tests all your students every year** to see their academic progression on a yearly basis. There are currently 46 students within the WCHEA that are enrolled in these Grade levels. I will accept that **all** these students will be tested this year. **IF FOR SOME REASON YOU DO NOT WANT YOUR CHILDREN TO TAKE THESE TESTS, OR YOU WANT ALL YOUR CHILDREN TO TAKE THESE TESTS, PLEASE LET ME KNOW, AS THE COST OF THESE TESTS WILL BE ADDED TO YOUR ACCOUNT AT THE END OF THE SECOND QUARTER !!!** I will send out an e mail explaining these tests to all again later on during the end of the second quarter.

GOOD NEWS !!!

UPGRADING OF OFFICE EQUIPMENT

We have decided to spend some money on the upgrading of the office equipment in order to keep up with technological development, and at the same time enhance our services to you..

As mentioned in a previous e mail, we have upgraded to a new fax/printer/scanner/copier, and could therefore get rid of the individual machines. As a result, we also upgraded the office computer to Windows XP Professional in order to facilitate the new machine. This has been a blessing as we were running out of space in my office, and as you know I need space to work in because of my length.

A reminder that it would be better if everyone use fax to e mail number if you fax anything to me. number is 0866 151 981. I will then receive the fax my Lap Top even when I am traveling, because i be sent to my e mail address.

We have also changed the telephones, and now have a portable phone to receive calls anywhere o premises.

I am currently in the process of installing a Fast data line in order for me to receive e mails faster, a be able to have continuous access to the internet.

Our telephone lines will then be “split” into “two” will then be able to service constant internet a while the telephone line stays open for calls. Previous when we were on the internet, we could not receive telephone calls.

A contact person through ACE is also developing brand new Computer Program where you will be able to directly update your information on my computer e mail. This program will probably be available during the latter part of 2009, and will be of assistance in the following areas:

- Constant SPC updating (No more necessary at every visit.)
- Assistance in ordering
- New Home School Accounts system
- Immediate updating of your personal information on my computer via e mail (Addresses, tel. no. e mail address, etc.)

We look forward to assisting you better, and at the same time streamlining our record keeping system in order to handle growth without compromising the standard of assistance to each individual home school.
