W.C.H.E.A. ADMIN UPDATE END 2009

As schools officially close for the December holidays on 11 December 2009, I will be updating my computer and the students' individual files with the last PACE tests scores the students completed during 2009, **from 14 – 18 December 2009.**

I therefore request **all home schools** to please e mail or fax the final Supervisor's Card to me as soon as your student completes his academic work for 2009 as I am required by ACE and the WCED to update their files and my computer with the levels they completed during the year.

I request your co-operation at your earliest convenience as I have **90 home schools** and **182 students'** records to complete.

WORDS OF WISDOM

"As goes the schools in one generation, so goes the nation in the next."

"I advise no one to place their child where the Scriptures do not reign paramount. Every Institution in which men are not increasingly occupied with the Word of God must become corrupt. I'm afraid the schools will prove to be the very gates of hell unless they diligently labour in explaining the Holy Scriptures and engraving them into the hearts of our youth."

Quote of Martin Luther in the 15th century.
