- Because of the Educators Convention in Cape Town this

quarter, there will not be any Home Educators Days.

- There are currently 94 home schools registered under the auspices of the W.C.H.E.A. serving 182 students.
- I e mailed my schedule for this quarter through to all on 13 January 2010. Please remember that I will unfortunately not be able to change any dates or times of any assessment visits. Should any home school not be at home for the appointment made, they will be welcome to schedule an appointment with me personally at my home in Ceres, as I will not be able to return for a single visit.
- Please note that quarterly assessments are a requirement from ACE.
- As the WCHEA Office is at my home in Ceres, many people have now started phoning after hours. Could we please request that phone calls be made during office hours which are weekdays from 08h00 – 17h00.
- As requested in the e mail regarding my quarterly schedule, could I again remind all home schools who need to speak to me for any reason during the weeks I am doing Assessment Visits, to please phone me while I am traveling. This will be considerate towards the Home Schools I am visiting and maximise my time with them. Thank You.

Cass.

Just a short note to inform all home schools that CASS, and the record keeping related to it, is still a compulsory item of any home schooled student !!!

ADMIN UPDATE DEC. 2009.

I would like to thank all home schools who sent me their SPC's and GCRF at the end of 2009.

As mentioned in the e mail sent on 13 January, I would again like to stress the importance for the home schools who have not sent the information through to me, to please do so. Failing to do this might cause miscommunication between those home schools and myself as to the PACEs completed during the 2009 academic year, which might end up as a challenge when requesting Graduation Certificates !!!

Thanks for helping me to keep my Admin up to date, as it is getting to be a challenge to keep track of all the PACEs the students are supposed to complete for Graduation purposes, especially if I don't receive the final S.P.C.'s at the end of each year.

- Thanks for the opportunity to serve you in educating your children with excellence. Remember – what we put in will most definitely be what we get out !!!
