### C SAMS PROGRAM

Some very important notes regarding the C SAMS ordering and C SAMS program.

1. Remember to replace the C SAMS file with the one Etienne sent on the e mail. - “Save as”
2. Remember the “student number” is for ex. bruwer 1 – and not your own number or your ACE customer number.
3. Remember to download the latest version of the program being used.
4. Don't forget to refer to the latest SA PACE sequence sent to you via e mail in Oct '11. In high school students will have to choose between the NSC (National Senior Certificate) and CEC (College Entrance Certificate) option.
5. Don't forget to order score keys and Lit books etc. with the “Score keys etc.” button.
6. Remember to change the students' grade level to the grade level you wish to order.
7. Choose “Rent from Academy” button if you want to rent score keys.
8. Choose “Add to order” button if you are ordering score keys and Lit books, etc. from ACE.
9. We might pick up obvious mistakes during the editing of

the order, but do not take responsibility to check if you ordered all the correct PACEs.

10. Please don't make changes to your order after it has been e mailed to me. Rather order again in two weeks' time.
11. Please take note that some Math and Eng PACEs have been moved to earlier grade levels than before. ACE has done this in order to free up about 6 months at the end of the students' school career in Gr. 12 in order to have sufficient time to prepare for an external exam the student might wish to complete.

### OTHER IMPORTANT NOTES

1. As score keys and Lit books are rented at a minimal price, could I please ask that they be repaired before sending them back to us.
2. Thank you to all home schools who continually bless us with score keys to rent out to other home schools. This WILL make the learning process cheaper for us ALL !!!
3. New accounts received only have to be paid in 2012, and R50 may be deducted if payment is made by 31 Jan 2012
